Yes, please it is a request from the AB Regional School Committee for Monday, April 29, 2013 at 7pm in the HS Auditorium. We have already checked the availability of the auditorium. We are checking with Boxborough Town Manager to see if they can do a STM the same night as that is what the SC wants. Do you need anything from us to put it on their agenda?

Is this a formal request from the School Committee? Usually, the BoS would receive a request. I can put it on the agenda for next Monday

Great.

Thank you, Eva.

Do I need to do anything to obtain the final notification, or just wait until they contact us?

Hi Eva,

Do we know whether Monday, April 29, 2013 works for a special town meeting regarding Regionalization? It would be good to have the date confirmed before the LWV Forum next Tuesday.

Thank you,

Beth

Hi Steve and Eva,

The Regionalization School District Study Committee has asked me to confirm a potential date for a Special Town Meeting regarding a revised Regional Agreement. Boxborough would also hold a Special Town Meeting on the same night.

Does **Monday, April 29 or Tuesday, April 30, 2013** sound like a good date? We have confirmed that the High School Auditorium would be available. Of course, all the required steps would be taken to make an official request, but we wanted to try to find a date that people could focus on. We will check with Boxborough after hearing from you.

Thank you,

Beth
